ORDER:

In the Government Order first read above, among others, orders have been issued for the functioning of Water Resources Department and Public Works Department as two separate departments.

2. In the Government Order second read above order have been issued for dividing Public Works Department, Buildings Organization into 3 regions and on the works allotted to the Regional Chief Engineers.

3. In the Government Order third read above, among others, the subject relating to Water Resources Department has been allocated to the Hon'ble Minister for Water Resources and the subject relating to Public Works Department has been allocated to the Hon'ble Minister for Public Works.

4. In the Government Order fourth read above, amendments have been issued to the Tamil Nadu Government Business Rules, 1978 wherein the subjects relating to "Water Resources" which have been already existed under the heading "Public Works Department" have been omitted and those subjects have been inserted under the heading "Water Resources Department", separately.

(P.T.O.)

5. In his letter fifth read above the Engineer-in-Chief, Water Resources Department and Chief Engineer (General), Public Works Department has stated that as a consequence, the administrative functions of the department have to be separated among Public Works Department and Water Resources Department and in order to facilitate smooth transition of administrative functions among the departments, the Engineer-in-Chief, Water Resources Department and Chief Engineer (General), Public Works Department has requested orders of the Government on the following proposals for stipulating guidelines for the vertical separation of the Department into Public Works Department and Water Resources Department.

- (i) The posts specifically sanctioned to Buildings Organisation and Water Resources Organisation may continue to be attached with the respective Departments.
- (ii) The ministerial posts sanctioned under Chief Engineer (General) may entirely be attached with the Water Resources Department considering the volume and proportion of the works and the large number of staff attached with the Department. The administrative staff predominantly comprising of Junior Assistants, Assistants and Superintendents required to man the general administrative functions of Public Works Department may either be redeployed among the posts available with the Public Works Department or can be newly created as per the requisition of the Engineer-in-Chief, Public Works Department.
- (iii) All further promotions/ appointments from the year 2021-2022 may be made by the respective Engineer-in-Chief of Public Works Department and Water Resources Department by formulating separate seniority lists as per the extant statutory rules. Protection of service rights of officials in all categories of posts governed by the State level one unit seniority may be granted on the lines ordered in the Government order 1st read above. Accordingly, if any junior official in any of the category under the present one unit seniority existing as on 06.06.2021 happens to get promoted either in Public Works Department or in Water Resources Department, all persons senior to him/ her may be granted notional promotion with effect from the date on which his/ her junior happens to be promoted by upgrading the post held by him/ her by prefixing 'Special' to the promoted post without any additional responsibilities. As and when the actual turn of the person so notionally promoted comes in the Department he/ she serves, he/ she may be accommodated in the promotional post and the post upgraded for him/ her may be downgraded to the pre-existing level.
- (iv) Regarding inter departmental movements of personnel in the undivided Department, that officials working in the categories from Junior Engineer/ Assistant Engineer to Chief Engineer have been requested to exercise fresh options within a period of three weeks. They may be permanently deployed either in Public Works Department or in Water Resources Department according to their option which would be final and non-reversible. If the number of officials opted to a particular Department surpasses the number of sanctioned posts in that Department, they may be considered for deployment in either of the Department based on their existing seniority. The existing seniority for the 1997-98 and 1997-99 batch of Engineers is under dispute on the file of

(P.T.O.)

the Honorable Supreme Court of India. Pending finalization of Seniority, the allocation of Engineers between Public Works Department and Water Resources Department shall be done on tentative basis.

- (v) The personnel in other categories of posts except Engineering Personal may be allowed to continue in the Department where they serve as on 06.06.2021 except in cases where redeployment is necessary on administrative grounds.
- (vi) The Public Works Staff Training Institute functioning at Chennai, Trichy and Madurai under the control of the Director in the cadre of Superintending Engineer head quartered at Trichy presently serves both Water Resources Organisation and Buildings Organisation. The Training Institutes at Chennai and Madurai may be attached with the Water Resources Department. The Training Institute at Trichy may be directly brought under the control of the Engineer-in-Chief, Public Works Department. The office of the Director, Public Works Staff Training Institute may be attached to the Engineer-In-Chief, Public Works Department to look after the administrative works.
- (vii) At present 7 Quality Control Divisions are functioning in the Department under the control of the Chief Engineer, Institute for Water Studies, Hydrology and Quality Control catering to both Buildings Organisation and Water Resources Organisation. Among 7 Quality Control Divisions, four Divisions at Chennai, Trichy, Madurai and Coimbatore may be brought under the control of Water Resources Department and the three Divisions at Villupuram, Salem and Tirunelveli may be brought under the control of Public Works Department. The headquarters of these Divisions may be modified to suit the requirements of the Departments concerned according to their convenience for operational.
- (viii) The Chief Architect wing, Director of Technical Education Wing and the Directorate of Boilers wing may be brought under the administrative control of the Engineer-in-Chief, Public Works Department.

6. In the G.O. sixth read above, the following orders have been issued:

- (i) A separate GENERAL UNIT shall be formed in the office of the Engineer-in-Chief (Buildings) and Chief Engineer (Buildings), Chennai Region, Public Works Department, Chepauk, Chennai to deal with all establishment matters of Public Works Department viz., Recruitment, Preparation of Estimate of vacancy, Panel proposals, Promotions, Transfer and Postings, Pay fixation, Disciplinary matters, Retirement, Pension proposals, as per the provisions of existing Statutory Acts and Rules.
- (ii) The above said General Unit shall function under the control of the Engineer-in-Chief (Buildings) and Chief Engineer (Buildings), Chennai Region, Public Works Department, Chepauk, Chennai.
- (iii) As the order on the bifurcation of the office of the Chief Engineer (General), Public Works Department, Chepauk, Chennai is yet to be issued, till such time for the transfer and postings from among the common category either from Water Resources Department to Public Works Department or from Public Works Department to Water Resources Department the proposal may originate from the respective Engineer-in-Chief.

7. During the discussion while moving the Public Works Department Demand No.39 in the Legislative Assembly on 27.08.2021, Hon'ble Minister (Public Works) has made the following announcement regarding re-organisation of Public Works Department:-

"An additional Region will be created with Headquarters at Coimbatore by re-organising Chennai and Trichy Regions."

8. The proposal of the Engineer-in-Chief, Water Resources Department and Chief Engineer (General), Public Works Department, Chepauk, Chennai has been examined by the Government and the Government decided that in order to ensure equitable promotional opportunities, there needs to be a re-organization in the current sanctioned strength that a ratio of 32:68 be maintained in Public Works Department and Water Resources Department respectively at all levels from the category of Assistant Engineer to Chief Engineer. As a new region is coming up in Coimbatore for Public Works Department, one Chief Engineer and one Superintending Engineer will be allotted to Public Works Department. Therefore, the sanctioned strength, as per the change in ratio would be as follows:-

| Sl. No. | Post | Sanctioned Strength - Existing | | | Sanctioned Staff Strength as per change in ratio | | |
|---------|---|--------------------------------|---------------|-------|--|---------------|-------|
| | | PWD | WRD | Total | PWD | WRD | Total |
| (1) | (2) | (3) | (4) | (5) | (6) | (7) | (8) |
| 1. | Chief Engineer | 5 (26%) | 14 (74%) | 19 | 6** (32%) | 14 (68%) | 19 |
| 2. | Superintending Engineer | 15 (28%) | 39 (72%) | 54 | 16 (30%) | 38 (70%) | 54 |
| 3. | Executive Engineer | 77 (34%) | 149 (66%) | 226 | 72 (32%) | 154 (68%) | 226 |
| 4. | Assistant Executive Engineer | 265 (34%) | 524 (66%) | 789 | 252 (32%) | 537 (68%) | 789 |
| 5. | Assistant Engineer (A.E. (Common Seniority)) | 716 (31%) | 1565 (69%) | 2281 | 730 (32%) | 1551 (68%) | 2281 |

** one new post added which is proposed to be created by re-organisation of Chennai and Trichirappalli Regions of Public Works Department.

9. The Government, after careful examination of the proposal of the Engineer-in-Chief, Water Resources Department and Chief Engineer (General), Public Works Department, Chepauk, Chennai issue the following orders on the guidelines for the vertical separation of the Department into Public Works Department and Water Resources Department:-

(A) The Engineers who are covered in common seniority be diverted to Water Resources Department and Public Works Department based on the existing sanctioned strength, including deputation posts, initially and the Engineer-in-Chief, Water Resources Department and Chief Engineer(General), Public Works Department is requested to

- (i) re-work the sanctioned strength on the ratio of 32:68 for Public Works Department and Water Resources Department respectively as detailed at paragraph 8 above;
- (ii) to identify the posts that are to be transferred between the two organizations as mentioned below:-

1 (one) new Chief Engineer post has to be added to Public Works Department which is proposed to be created by re-organisation of Chennai and Tiruchirappalli Regions of Public Works Department

1 (one) Superintending Engineer post has to be transferred from Water Resources Department to Public Works Department

5 (Five) Executive Engineer posts have to be transferred from Public Works Department to Water Resources Department

13 (Thirteen) Assistant Executive Engineer posts have to be transferred from Public Works Department to Water Resources Department and

14 (Fourteen) Assistant Engineer posts have to be transferred from Water Resources Department to Public Works Department

(B) **Ministerial posts sanctioned to Chief Engineer (General) unit** in the office of the Engineer-in-Chief, Water Resources Department and Chief Engineer (General), Public Works Department, Chepauk, Chennai has to be redeployed to the Public Works Department proportionately.

The nomenclature of the Engineer-in-Chief, Water Resources Department and Chief Engineer (General), Public Works Department shall be changed as "**Engineer-in-Chief and Chief Engineer (General), Water Resources Department**" and the General Unit now functioning under the control of Engineer-in-Chief, Water Resources Department & Chief Engineer (General), Public Works Department will continue to function under the control of Engineer-in-Chief and Chief Engineer (General), Water Resources Department after redeployment of ministerial posts to the Public Works Department proportionately.

(C) **All further promotions/appointments** from the year 2021-2022 has to be made by the respective Engineer-in-Chiefs of Public Works Department

(P.T.O.)

and Water Resources Department by formulating separate seniority lists as per the extant statutory rules.

The future recruitment to all the vacant posts in Public Works Department and Water Resources Department shall be made separately based on estimate of vacancies arrived at.

- (D) **Protection of service rights** of officials in all categories of posts governed by the State level one unit seniority shall be granted on the lines ordered in the G.O. first read above. Accordingly, if any junior official in any of the category of the Engineers who are covered under Common Seniority happens to get promoted either in Public Works Department or in Water Resources Department, the pay level of all persons senior to him/her shall be upgraded with monetary benefit with effect from the date on which his/her junior happens to be promoted by prefixing 'Special' to the upgraded post without any additional responsibilities. As and when the actual turn of the person so upgraded comes in the Department he/she serves, he/she may be accommodated in the promotional post and the post upgraded for him/her shall be downgraded to the pre-existing level.

- (E) The **Option** exercised by the Engineering personnel belonging to the common seniority, working in the categories from Junior Engineer / Assistant Engineer to Chief Engineer would be final and non-reversible.

If the number of officials opted to a particular Department surpasses the number of sanctioned posts in that Department, they shall be considered for deployment in either of the Department based on their existing Batch Seniority.

The allocation of Engineers between Public Works Department and Water Resources Department shall be done on tentative basis, subject to the outcome of the pending court case before the Supreme Court of India regarding revision of seniority based on merit.

The list of option exercised by Chief Engineers, Superintending Engineers, Executive Engineers, Assistant Executive Engineers and Assistant Engineers as on 30.06.2021 to Water Resources Department and Public Works Department are attached as Annexure-I and Annexure-II respectively to this order.

- (F) The ministerial posts and administrative posts shall continue to function under the departments viz. Public Works Department and Water Resources Department, where they serve as on 06.06.2021, subject to the existing rules that are in force.

Regarding mode of recruitment, seniority and interchangeability of posts in ministerial and administrative Staff, their existing status shall continue.

As far as ministerial and administrative staffs are concerned, promotional opportunities to move to the technical side shall be allowed as per the existing rules, subject to the reworked sanctioned strength. The

(P.T.O.)

panel for promotions shall be prepared jointly at the Secretariat, wherever required as per the rules in force.

For the sanctioned posts at Circle level seniority, the seniority is maintained at Circle level only. They shall continue to function under the respective circles as per existing procedure.

The sanctioned posts at One Unit seniority level shall continue to be treated as common cadre. Based on the experience, decision has to be taken after 2 years regarding Bifurcation of administrative and ministerial staff.

- (G) The **Public Works Staff Training Institute** functioning at Chennai, Trichirappalli and Madurai under the control of the Director in the cadre of Superintending Engineer headquartered at Trichirappalli presently serves both Water Resources Department and Public Works Department.

The Public Works Staff Training Institutes at Chennai and Madurai shall be attached with the Water Resources Department.

The Public Works Staff Training Institute functioning at Trichirappalli shall be directly brought under the control of the Engineer-in-Chief (Buildings), Public Works Department.

The office of the Director, Public Works Staff Training Institute shall be attached to the Engineer-In-Chief (Buildings), Public Works Department.

- (H) **7 Quality Control Divisions** at Chennai (Tharamani), Villupuram, Trichirappalli, Salem, Coimbatore (Pollachi), Madurai and Tirunelveli functioning under the control of Chief Engineer, Institute for Water Studies, Hydrology & Quality control, catering to both Public Works Department and Water Resources Department.

Quality Control Divisions at Chennai (Tharamani), Trichirappalli, Madurai and Coimbatore (Pollachi) shall be attached to Water Resources Department and Quality Control Divisions at Villupuram, Salem and Tirunelveli shall be attached to Public Works Department.

Since the majority of the works of Public Works Department are located in big cities such as Chennai, Madurai and Coimbatore, Divisions now at Villupuram, Salem and Tirunelveli be relocated to **Chennai, Madurai and Coimbatore** respectively and should be utilized by the Public Works Department and necessary infrastructure including building would be shifted / created.

- (I) The Chief Architect Wing, Directorate of Technical Education Wing and the Directorate of Boilers Wing shall be brought under the administrative control of the Engineer-in-Chief, Public Works Department.
- (J) **Re- classification of Public Works Department Poroamboke lands**
All the water courses, water bodies, Eri, Thangal, Canal pormaboake, etc., classified as "Public Works Department Poramboke land" shall be re-classified as "Water Resources Department Poramboke land"

(P.T.O.)

All other lands shall remain with the Public Works Department.

(K) Bifurcation of Electrical Wing

The Electrical Wing is functioning under the control of Public Works Department with 8 Electrical Divisions with the total sanctioned strength of 215 Engineers .

The Engineer-in-Chief(Buildings) & Chief Engineer (Buildings), Public Works Department, Chepauk, Chennai is directed to send necessary proposal to the Government for splitting the Electrical Wing of Public Works Department between Public Works Department and Water Resources Department in a specific proposition, in consultation with the Engineer-in-Chief, Water Resources Department & Chief Engineer (General), Public Works Department.

(L) Ownership of Buildings

Those buildings which are under exclusive control of Public Works Department or Water Resources Department, ownership shall be transferred to respective departments. The maintenance shall be undertaken by the respective department to whom the ownership is transferred.

Both the Engineer-in-Chiefs of Water Resources Department and Public Works Department are directed to send proposal for taking decision on the ownership of Buildings jointly occupied by Water Resources Department and Public Works Department.

10. The orders at paragraph 9 above shall come into force with effect from the date of issue of this order.

11. This order issues with the concurrence of Human Resources Management Department and Finance Department vide their U.O.No. 32730/E2/2021, dated 20.10.2021 and vide U.O.No. 45820 /P.W.II./2021 - 1, dated 01.11.2021 respectively.
