**Promotion Panels & Court Orders**

Promotion panels of Assistant Executive Engineers, Executive Engineers in our department for this year 2020-21 are not approved citing various Court Cases and Court Orders. Even though estimate of vacancies of these panels are approved in right time, Court Cases / Orders become a hurdle in the approval. The case of giving merit based or roster based promotion divides our member Engineers and the Government still unable to take a concrete decision in this issue.

The ultimate sufferer in this issue is our member Engineers who are holding more additional charges and many of them who are not able to get their promotion in due turn. Even route to temporary promotion is blocked citing Court case (Stay Order). It is unclear whether the Government or Court will alter their position in near future. We once again appeal to those involved in these Court Cases to solve this issue by accepting temporary promotion in this year.

**Sub:** CPS Cell – Proposals for final settlement under CPS to subscribers who retired / resigned, deceased or terminated from service – Clarifications issued by the Government – Regarding.

**Ref:** 1. G.O.Ms.No.59, Finance (PGC) Department, Dated 22.03.2016.  
2. Government Lr.No.6941 / Finance (PG-I)/2019, dated: 20.07.2020  
3. This Office Lr.No.0065/CPS/2019, Dated 19.08.2020

In the reference 2<sup>nd</sup> cited, the Government have directed that while sending the Final Authorisation proposal for the CPS subscribers, the Drawing and Disbursing Officers (DDOs) shall submit the proposals with details in the annexures given in the references 1<sup>st</sup> and 2<sup>nd</sup> cited (Copies enclosed) along with scanned pages of the Service Register duly attested by the DDOs concerned to ensure the correctness of the particulars of the individual so as to avoid risks in handling the original Service Registers through post/courier.

Consequently, all the HoDs were addressed to issue suitable instructions to the DDOs under their control with a copy marked to the PAOs/DTOs to issue sensitise the DDOs in their Bill Audit control.

However, the DDOs are continuing with the practice of sending proposals for Final Authorisation of CPS for their employees enclosing Service Registers instead of attested copies of Service Registers.

I am therefore to request you to instruct the DDOs under your Bill Audit control to follow the above revised guidelines while sending the Final Authorisation proposal for the CPS subscribers.

You are also requested to inform the DDOs that proposals received along with the original Service Register would not be accepted by this Department and the same will be returned to the sender.
