Promotion Panel for Assistant Executive Engineer (Civil)

The Estimate vacancy for Promotion Panel for Assistant Executive Engineer (civil) in Public Works Department and Water Resources Department was recently approved by the Government. Eventhough legal issues are still in the way of this promotion, we hope that the long waiting of our Assistant Engineers since 2014 will end soon. It is recalled from our memory that all the Assistant Executive Engineer Panels are tied with court cases by the way stay order etc. and normally cleared after the vacation of stay order by the High Court. This usually delays the panel by six months.

After 2014 the scenario changed and the Panel is stuck in the Courts years together and still the way is not cleared. Nearly 80% of Assistant Executive Engineer (Civil) posts are vacant in the department and any further delay in approval of this panel will frustrate all of us.

We appeal to our Assistant Engineers to stand united to achieve the Promotion of Assistant Engineers in Water Resources Department and Public Works Department by keeping vested interests away from our goal.
