Editorial

Commitment not honoured – Special Executive Engineer, Special Superintending Engineer not given to seniors.

While bifurcating our Public Works Department into Public Works Department and Water Resources Department in the G.O.Ms.No.158, Public Works (D2) Department, dated 01.11.2021 it was mentioned that whenever Juniors in one Department got promoted the Seniors in other Department will get their Promotion as Special Executive Engineer / Special Superintending Engineers immediately. However even after issue of Promotion to Juniors in Public Works Department, the Senior Assistant Executive Engineers in Water Resources Department are not getting their Special Executive Engineer post even after a lapse of more than 4 months. The file for the Special Executive Engineer Promotion is unnecessarily routed through Human Resources & Finance Department and they are returning the proposal with filmsy queries and dragging on this issue.

We appeal to the Government to issue Special Executive Engineer / Special Superintending Engineer promotion whenever orders are issued for promotion of Juniors are issued without routing through Human Resources & Finance Department (or) else.

We request to prepare common panel for both the departments and post them according to seniority in either departments until vacancy arises in their opted departments. This will solve this issue without causing bitterness among our member Engineers. - **Editor**

பெருமதிப்பிற்குரியர், பேரன்பிற்கினியர், வணக்கம்.

- நீர்வளத்துறையில் காலியாக உள்ள 272 உதவிப் பொறியாளர் பணியிடங்களை தமிழ்நாடு அரசுப் பணியாளர் தேர்வாணையம் மூலம் தேர்வு செய்திட முதன்மைத் தலைமைப் பொறியாளர் மற்றும் தலைமைப் பொறியாளர் (பொது) நீர்வளத்துறை அவர்களால் நடவடிக்கை மேற்கொள்ளப்பட்டுள்ளது. இந்த ஆண்டிற்கான ஒருங்கிணைந்த பொறியியல் பணித்தேர்வு அறிவிக்கையிலே மேற்கண்ட காலியிடங்களுக்கு உதவிப் பொறியாளர்களை தெரிவு செய்திட உரிய நடவடிக்கை மேற்கொள்ளப்பட்டுவருகிறது.
- நீர்வளத்துறையில் தலைமைப் பொறியாளர், கண்காணிப்புப் பொறியாளர் மற்றும் செயற்பொறியாளர் (சிவில்) பட்டியலுக்கும், பொதுப்பணித்துறையில் செயற்பொறியாளர் (சிவில்) மற்றும் இணைத் தலைமைப் பொறியாளர் (மின்) பட்டியலுக்கும் காலியிட மதிப்பீடு கடந்த 1½ மாதங்களாக மனிதவளத்துறையால் ஒப்புதலளிக்கப்படாமல் இருந்தது. இது தொடர்பாக மனிதவளத்துறை செயலரிடம் நமது சங்கங்கள் சார்பில் கோரிக்கை மனு அளிக்கப்பட்டுள்ளது. தற்போது நீர்வளத்துறையில் கண்காணிப்புப் பொறியாளர் பதவி உயர்வு பட்டியலுக்கான காலியிட மதிப்பீடு (28) அரசால் ஒப்புதலளிக்கப்பட்டுள்ளது. பிற பதவி உயர்வு பட்டியலுக்கான காலியிட மதிப்பீட்டினை விரைந்து ஒப்புதலளித்திட வலியுறுத்தியுள்ளோம்.
- 2021-2022ஆம் ஆண்டு பொதுப்பணித்துறையில் கண்காணிப்பு பொறியாளர் (சிவில்) பதவி உயர்வு பட்டியலில் மீதமுள்ளவர்களில் 6 செயற்பொறியாளர்களுக்கு கண்காணிப்புப் பொறியாளர்களாக பதவி உயர்வு வழங்கப்பட்டுள்ளது. நீர்வளத்துறையில் 2 செயற்பொறியாளர்களுக்கு கண்காணிப்புப் பொறியாளர்களாக பதவி உயர்வு வழங்கிட உரிய கருத்துரு அரசின் ஒப்புதலுக்காக அனுப்பப்பட்டுள்ளது. இந்த வாரத்தில் (17.06.2022)க்குள் பதவி உயர்வு வழங்கப்படுவிடும் என எதிர்பார்க்கின்றோம். பதவி உயர்வு பெற்றுள்ள அனைவருக்கும் நமது சங்கங்கள் சார்பாக வாழ்த்துக்களைத் தெரிவித்துக்கொள்கிறோம்.
- நீர்வளத்துறையில் இதுவரை பதவி உயர்வு வழங்கப்படாத உதவிச் செயற்பொறியாளர்களுக்கு அவர்களுடைய இளையவர் பொதுப்பணித்துறையில் செயற்பொறியாளர் பதவி உயர்வு பெற்ற நாளிலிருந்து சிறப்பு செயற்பொறியாளராக பதவி உயர்வு வழங்கும் கருத்துரு அரசு மட்டத்தில் மனிதவளத்துறையிலும், நிதித்துறையிலும் தேவையற்ற குறிப்புகளை எழுதி காலதாமதம் செய்வதை வன்மையாக கண்டிக்கிறோம். இதன் மூலம் துறையை இரண்டாகப் பிரித்த அரசு ஆணை எண்.158-ஐ செயல்படுத்துவது

கேள்விக்குறியாகியுள்ளது. இது தொடர்பாக அரசு கூடுதல் தலைமைச் செயலர் நீர்வளத்துறையிடம் முறையிட்டுள்ளோம். விரைவில் இது தொடர்பாக ஆணை வெளியிடப்படும் என நம்புகிறோம்.

✍ மே மாதம் 2022லிருந்து (31.05.2022) 60 வயது நிறைவுற்ற அரசு ஊழியர்கள் ஓய்வு பெற்றுள்ளனர். நம் துறையில் ஓய்வு பெற்றுள்ள தலைமைப் பொறியாளர்கள் மற்றும் அனைத்து பொறியாளர்களுக்கும் எங்கள் நல்வாழ்த்துக்களைத் தெரிவித்துக்கொள்கிறோம். நீர்வளத்துறையில் காலியாக உள்ள 2 தலைமைப் பொறியாளர் பதவிகளுக்கும் உடனடியாக தற்காலிக பதவி உயர்வு மூலம் **பொறி.N.ஞானசேகர்** அவர்களை, தலைமைப் பொறியாளர், நீர்வளத்துறை, மதுரை மண்டலமாகவும் **பொறி.B.செந்தில்குமார்**, அவர்களை அரசு சிறப்புச் செயலர், நீர்வளத்துறையாகவும் நியமனம் செய்து அரசு ஆணை வெளியிடப்பட்டுள்ளது. **தமிழக முதல்வர் அவர்களுக்கும், மாண்புமிகு நீர்வளத்துறை அமைச்சர் அவர்களுக்கும், அரசு கூடுதல் தலைமைச் செயலாளர் (நீர்வளத்துறை) அவர்களுக்கும், முதன்மைத் தலைமைப் பொறியாளர் மற்றும் தலைமைப் பொறியாளர் (பொது) நீர்வளத்துறை அவர்களுக்கும்** எங்கள் மனமார்ந்த நன்றியினைத் தெரிவித்துக்கொள்கிறோம்.

✍ பொதுப்பணித்துறையில் (31.05.2022 அன்று) பணி ஓய்வு மூலம் ஏற்பட்ட காலியிடங்களுக்கு உடனடியாக 6 செயற் பொறியாளர்களுக்கு கண்காணிப்புப் பொறியாளர் (சிவில்) பதவி உயர்வு வழங்கிய மாண்புமிகு தமிழக முதல்வர் அவர்களுக்கும், மாண்புமிகு பொதுப்பணித்துறை அமைச்சர் அவர்களுக்கும், அரசு கூடுதல் தலைமைச் செயலர், பொதுப்பணித்துறை மற்றும் முதன்மைத் தலைமைப் பொறியாளர், தலைமைப் பொறியாளர் (பொது) மற்றும் தலைமைப் பொறியாளர், சென்னை மண்டலம், பொதுப்பணித்துறை அவர்களுக்கும் எங்கள் மனமார்ந்த நன்றியினைத் தெரிவித்துக்கொள்கிறோம்.

✍ கொரோனா காரணமாக நீண்ட நாட்களாக நடைபெறாமலிருந்த நமது சங்கங்களின் “மாநில பொதுக்குழுக் கூட்டம்” வரும் 30.07.2022 அன்று ஈரோட்டில் உள்ள “ஆலயமணி மஹாலில்” நடைபெற உள்ளது. இக்கூட்டம் பற்றிய விரிவான அறிவிப்பு அடுத்த இதழில் வெளியிடப்படும். நமது கோரிக்கையினை ஏற்று குறுகிய காலத்தில் இந்த பொதுக்குழுக் கூட்டத்தினை சிறப்பாக ஏற்பாடு செய்துவரும் தலைமைப் பொறியாளர் (கூட்டம்) கோயம்புத்தூர் மண்டலம், கோயம்புத்தூர் மற்றும் ஈரோடு கிளைச் சங்கத் தலைவர், **பொறி.R.இளஞ்செழியன்** அவர்களுக்கும் அனைத்து பொறுப்பாளர்கள் மற்றும் உறுப்பினர்களுக்கும் எங்கள் நெஞ்சார்ந்த நன்றியினைத் தெரிவித்துக்கொள்கிறோம். உறுப்பினர்கள் அனைவரும் திரளாக கலந்துகொள்ளுமாறு வேண்டுகிறோம்.

மிக்க அன்புடன்,

பொறிஞர்.மு.மதன்,

பொதுச் செயலாளர், உதவிப் பொறியாளர் சங்கம்

MINUTES OF THE 4TH PARENT EXECUTIVE COMMITTEE MEETING
OF AOE & AEA, CHENNAI

The 4th combined PEC meeting was held on 25.05.2022, Wednesday in the Association Office Premises, Chepauk, Chennai-600005 by about 6.15 P.M. In the absence of President **Er.R.Sornakumar**, the meeting was presided by **Er.K.Prabakar**, Vice President, AOE. **Er.K.Prabakar**, welcomed all the PEC members to the meeting. He thanked all those who worked very hard to approve the temporary promotion of Assistant Engineers as Assistant Executive Engineers and congratulated the newly promoted Assistant Executive Engineers. He also explained about the need to conduct all the cases filed in this connection and take steps to win the cases in our favour. He requested the General Secretary, AOE to brief the PEC about the following subject agenda:

- 1) **Recruitment of Assistant Engineers in WRD & PWD – Present Stage.**
- 2) **Promotion Panels – Present Stage.**
- 3) **Pay Scale Case – Present Stage.**
- 4) **Conducting General body meeting of our Association – Date & Venue to be finalised.**
- 5) **Co-option of vacant office bearers posts in our Association.**
- 6) **Improvements to PRI.**
- 7) **ENGIBEF V Phase – Present Stage.**
- 8) **Any other Subjects.**

Er.K.Murugan, General Secretary, AOE explained the subject agenda in detail to the PEC members. The following Office Bearers & Executive Committee members of Assistant Engineers' Association who were present in the meeting were presented with shawls on their promotion as Assistant Executive Engineer.

1. Er.M.Dhanasekaran, Assistant Executive Engineer, WRD, Kodumudiyar Reservoir Project Sub Division-II, Valliyoor	4. Er.K.Jeiyenthi, Assistant Executive Engineer, PWD, Building Maint. Sub Div-4. MW, DMS Campus, Chennai
2. Er.V.Ponraj, Assistant Executive Engineer, WRD, O/o Superintending Engineer, Design Circle, Chepauk, Chennai-5	5. Er.S.Senthil Kumar, Assistant Executive Engineer, PWD, O/o SE, PWD, Planning & Design Circle, Chennai
3. Er.P.M.Karthik, Assistant Executive Engineer, WRD, O/o Superintending Engineer, Design Circle, Chepauk, Chennai-5	6. Er.M.Ramesh, Assistant Executive Engineer, WRD, Lower Pennaiyar Basin Sub Division, Tindivanam

The General Secretary informed that Erode Branch immediately come forward to conduct the General Body meeting of AOE & AEA and he thanked **Er.R.Elanchelian**, Chief Engineer, PWD, Coimbatore Region (Buildings) and President, AOE, Erode Branch and other office bearers of Erode branch for their fine gesture of willingness to conduct GB at Erode.

Since many of our Office bearers & EC members of AEA (Parent body) got promoted as Assistant Executive Engineer, there is a need to fill up the above vacant posts in AEA. **Er.L.Gayathri**, Secretary, Personal Affairs, AEA proposed the following Assistant Engineers for the vacant posts in the AEA.

1. **Er.S.Senthil Raj**
(Fishing Harbour Sub Division, Nagapattinam) as Vice President AEA.
2. **Er.M. Mathan**
(O/o Executive Engineer, Special Design Division, Chennai) as General Secretary, AEA.
3. **Er.M.Manimaran**
(Anti Sea Erosion Sub Division, Chennai) as Secretary, Organisation, AEA.
4. **Er.K.Stalin**
(O/o SE, DRIP, Tharamani, Chennai) as Secretary, Publication, AEA.
5. **Er.S.Srinivasan**
(DoTE, Chennai) as Secretary, Public Relations, AEA
6. **Er.N.Leninpriya**
(O/o EIC, WRD, Chennai-5) as EC Member, AEA
7. **Er.G.Kaleeswaran** (Technical Education Sub Division, Tirunelveli) as EC Member, AEA.
8. **Er.P.Anand Babuji**
(Parthibanur Regulator Section, Lower Vaigai Basin Sub Division, Paramakudi) as EC Member, AEA
9. **Er.V.Sabarinathan**
(Canal Sec. WRD, Kangeyam) as EC Member, AEA
10. **Er.A.Alagumuthuraj**
(Secretariat, Sub Division) as EC Member, AEA
11. **Er.S.Senthil Raj**
(Building Construction Division-1, Chennai) as EC Member, AEA
12. **Er.K.Revathy**
(O/o the EE, Buildings Construction, Division-2, MW, Chennai) as EC Member, AEA
13. **Er.K.Periyakaruppan**
(Adyar Section, Chennai) as EC Member, AEA
14. **Er.N.Balamurugan**
(Buildings Construction, Division-3, MW, Chennai) as EC Member, AEA
15. **Er.K.Krishnan**
(O/o the Chief Engineer, DR&CS) as EC Member, AEA.

The proposal was seconded by **Er.K.Stalin**, EC Member, AEA. The PEC unanimously approved the same.

Since **Er.M.Mathan**, Treasurer, ENGIBEF was co-opted as General Secretary, AEA, the Treasurer/ENGIBEF and two other internal auditor which are vacant are proposed to be filled up by co-option.

Er.M.Dhanasekaran, EC Member, AOE proposed the following Engineer for the above Post.

1. **Er.V.Ponraj**
(AEE, WRD, O/o the SE, Designs Circle, WRD, Chennai-5) as Treasurer, ENGIBEF
2. **Er.P.M.Karthik**
(AEE, WRD, O/o the SE, Designs Circle, WRD, Chennai-5) as Internal Auditor, AOE
3. **Er.S.Senthil Kumar**
(AEE, PWD, O/o the SE Planning & Designs Circle, Chennai-5) as Internal Auditor, AOE.

Er.B.Arun, Joint Secretary, Publication, AOE seconded the above proposal. The PEC unanimously approved the same. The nomination for the post of two internal auditors will be ratified by the ensuing CEC / GB meeting.

The General Secretary, AOE explained the PEC about the recent improvements taken in the Poriyaalar Ramalingam Illam, Chennai for purchases of new Blankets & Bed Sheets and other maintenance works carried out. He also listed out some more maintenance works to be carried out.

The General Secretary, AOE also informed the members about the recently conducted of INDEF National Council Meeting & Southern Region Meeting at Chennai on 14.05.2022 & 15.05.2022 which was hosted by Tamil Nadu Engineers Federation. The meeting was well attended by delegates from 17 States all over India. We on our part have contributed **Rs.75,000/-** towards the expenses for conducting the meeting and provided free accommodation & food to some 21 delegates for more than 3 days in our PRI. The PEC ratified the above, and appreciated, the TNEF for conducting the above meeting.

Er.M.Suganthi, Secretary, ENGIBEF explained that one **Er.V.P.Rajendran**, Assistant Engineer of Thanjavur Branch was expired on 20.05.2018. He Paid Rs.3000/- as part payment towards ENGIBEF. His family requested relief from ENGIBEF to his legal heir **Tmt.P.Nagamani** (Mother of **Er.V.P.Rajendran**). The same was recommended by the Thanjavur Branch. The PEC discussed this issue and decided to give an amount of **Rs.50,000/-** to the legal heir of the deceased **Er.V.P.Rajendran's** family.

After discussion by all the members, the following resolutions were unanimously passed.

1. Resolved to thank **Hon'ble Chief Minister of Tamil Nadu, Hon'ble Minister for Water Resources Department, Hon'ble Minister for Public Works Department, Additional Chief Secretary to Government, WRD & PWD, Engineer-in-Chief and Chief Engineer (General), WRD, Engineer-in-Chief, Chief Engineer (General) and Chief Engineer, Chennai Region, PWD, Joint Chief Engineer (General), WRD, Joint Chief Engineer (Buildings), PWD, Staff of the WRD, PWD at Engineer-in-Chief offices and at Secretariat** for their involvement & enthusiasm in giving temporary promotion to our Assistant Engineers which resulted in filling up of 326 Assistant Executive Engineers posts in WRD and 167 Assistant Executive Engineers posts in PWD which is pending for last 8 years.
2. Resolved to pursue Courts cases to win the cases in our favour in the promotion issue and also Pay Scale cases.
3. **Appeal to all our members to contribute a minimum of Rs.5000/- as legal fund to conduct the cases successfully.**
4. Resolved to co-opt the vacant posts in AEA & AOE unanimously as proposed in this meeting.
5. Resolved to ratify the expenditure incurred in connection with the INDEF meeting on 14.05.2022 & 15.05.2022.
6. Resolved to conduct **General Body Meeting in a grand manner at Erode**. The PEC whole heartedly expresses its sincere thanks to **Er.R.Elanchelian**, Chief Engineer, PWD, Coimbatore Region (Buildings) and President, AOE, Erode Branch and other office bearers for expressing their willingness immediately in this regard.
7. Resolved to pay an amount of **Rs.50,000/-** to the legal heir of deceased **Er.V.P.Rajendran**, Assistant Engineer, Thanjavur Branch who paid part amount to the ENGIBEF.
8. Resolved to condemn the attack on our Assistant Engineers **Er.R.Rajathilak** and **Er.M.Manimaran** while doing their duty of removing encroachment in the R.A.Puram area of Chennai. It is also resolved to request the concerned EE, SE & CE to take suitable criminal action against the culprits who attacked our Assistant Engineers.

The meeting came to an end by about 8.00 PM with vote of thanks by **Er.A.Abdul Khudus**, President, AEA.

Er.M.Mathan,
General Secretary, AEA

Er.K.Murugan,
General Secretary, AOE

No. 36614 of 2016 filed by Thiru.P.Sethuraman and 4 others	To stay and quash G.O(Ms.) No. 1, Public Works Department, dated 2.1.1990	The Hon'ble Court in its order dated 21.6.2017 in W.P No 3617 of 2017 and batch of cases had ordered as detailed below:- "In view of the status-Quo granted by the Division Bench of this Court in W.A. No 373 of 2017 dated 19.04.2017, there shall be an order of Status-Quo till further orders."
2.	W.P. No. 10117 of 2017 filed by Thiru. S. Pongiyannan and 8 others	1. To stay and quash proceedings S2(2)/59620/2015, dated 18.1.2017 and 2. Not to consider impugned persons under 75% quota earmarked for Assistant Engineer for promotion to the post of Assistant Executive Engineer.	
3.	W.P. No. 3617 of 2017 filed by Thiru. G.D.Vijayaraghavan and 4 others	1. Challenging G.O(Ms) No. 155, Public Works(B2)Department, dated 13.8.2015. 2. To stay and quash proceedings S2(2)/29148/2004, dated 6.11.2015 and S2(2)/59620/2015, dated 18.1.2017. 3. Not to consider impugned persons under 75% quota earmarked for AE for promotion to the post of Assistant Executive Engineer.	

4.	W.P. No. 43750 of 2016 filed by Thiru. G.D.Vijayaraghavan and 2 others	To declare Assistant Engineers appointed from Overseers, Draughting Officers, Junior Draughting Officers shall be considered under 25% quota earmarked for Junior Engineers for promotion to the post of Assistant Executive Engineer.	
5.	WMP No. 3650 of 2017 in W.P. No. 3617 of 2017	Praying to grant of stay of G.O. (Ms) No. 155, Public Works(B2)Department, dated 13.8.2015 and proceedings dated 6.11.2015 and 18.1.2017 issued by the 2 nd respondent.	The Hon'ble Court in WMP No. 3650 of 2017 in W.P. No. 3617 of 2017 in its order dated 14.2.2017, refused to grant interim stay sought for by the petitioners and dismissed the said WMP.
6.	W.A. No. 373 of 2017 filed by Thiru. G.D. Vijayaraghavan and 4 others	W.A is filed against order dated 14.2.2017 passed in WMP No. 3650 of 2017 in W.P. No. 3617 of 2017.	The Division Bench of Madras High Court in its order dated 19.4.2017 has ordered as below: <i>"There shall be an order of Status Quo till the disposal of Writ Petition."</i>

4. In the orders of the Hon'ble Division Bench of Madras High Court sixth read above, the Hon'ble Court has passed the following orders:

"we do not find any unconstitutionality in the Section of law under the challenge, i.e. Section 47(1). Rather, it has been framed to save the sufferings of the administration in the absence of the hands by way of regular promotion.

Taking into consideration the object of Section 47(1) and findings no illegality in the provision, we find no grounds to accept the prayer made in the Writ Petition. Accordingly, the Writ Petition is dismissed."

5. The Advocate General of Tamil Nadu in his legal opinion ninth read above has opined that;

"The temporary promotion under Section 47(1) of the Tamil Nadu Government Servants (Conditions of Service) Act, 2016, shall be invoked to save sufferings of the administration on temporary

arrangements till the regular promotions to the posts are made. As observed by the Hon'ble First Bench of the High Court of Madras in its Judgement dated 17.03.2022 in W.P. No. 35161 of 2019, 'the administration may suffer on account of the delay in promotion and thus, the arrangements has been provided to fill the posts temporarily from a person possessing qualification prescribed for the posts.' Therefore, considering the change of circumstances and the large number of vacancies in the post of Assistant Executive Engineer, I am of the view that the authorities concerned can consider giving temporary promotion invoking Section 47(1) of the Tamil Nadu Government Servants (Conditions of Service) Act, 2016, subject to the outcome of W.P. No. 3617 of 2017 and batch cases, pending on the file of the Hon'ble High Court of Madras.

6. The Engineer-in-Chief, Chief Engineer (General) and Chief Engineer, Chennai Region, Public Works Department, Chennai in his letters tenth read above, has furnished the name list of the 101 numbers of directly recruited Assistant Engineers through Tamil Nadu Public Service Commission and 66 numbers of Assistant Engineers appointed by the method of recruitment by transfer / Junior Engineers / Re-designated Assistant Engineers who are fully eligible to be temporarily promoted to the post of Assistant Executive Engineer in Civil branch of Public Works Department by invoking Section 47(1) of Tamil Nadu Government Servants (Conditions of Service) Act, 2016. He has also certified that no disciplinary proceedings / criminal cases are pending against the individuals considered for temporary promotion.

7. In the letter tenth read above, the Engineer-in-Chief, Chief Engineer (General) and Chief Engineer, Chennai Region, Public Works Department, Chennai has reported that as per the provisions of the G.O.(Ms.)No.1, Public Works Department, dated 02.01.1990, Technical Assistants, who have put up 5 years of service have been appointed to the post of Assistant Engineers. Amongst 21 Numbers of Technical Assistants appointed to the post of Assistant Engineers, 7 Numbers of serving Assistant Engineers have opted to serve in Public Works Department. However, the appointment of such 21 Numbers of Assistant Engineers by the method of recruitment by transfer from the post of Technical Assistants is itself in question, as the Hon'ble High Court of Madras in its Orders dated 23.12.2014 in WP No.11148 and 21344 of 2007, had allowed the Writ Petitions and had restrained the official respondents from making further appointment to the post of Assistant Engineer from the category of Technical Assistants by way of recruitment by transfer unless and until the Statutory Rule is amended making the post of Technical Assistants also as a feeder category, Assistant Engineers appointed from the post of Technical Assistants shall be permitted to continue as Assistant Engineers for a period of 3 months from the date of receipt of a copy of the orders of the Court.

In case, the Rule is amended making the post of Technical Assistant as a feeder category for appointment to the post of Assistant Engineer, then they shall not suffer any reversion and they will be allowed to continue as Assistant Engineers. In case, the Rule is not amended within 3 months or in the case of earlier rejection of the proposal for inclusion of the post of Technical Assistant in the feeder categories, the private respondents shall be reverted back to their original post, namely Technical Assistants.

8. However, the 21 Numbers of Assistant Engineers had continued without reversion in view of the Status-Quo obtained by them in M.P. No.1 of 2015 in Writ Appeal No.82 of 2015 and in M.P.No.1 of 2015 in Writ Appeal No.95 of 2015 on 5.3.2015. Therefore, the Assistant Engineers appointed from the post of Technical Assistants can be considered for temporary promotion to the post of Assistant Executive Engineers only after the outcome of the Writ Appeals mentioned above filed before the Hon'ble High Court of Madras. The Advocate General of Tamil Nadu, Chennai has also taken note of the same in his legal opinion ninth read above and opined that Assistant Engineers promoted from the post of Technical Assistants cannot be considered for promotion and the Assistant Executive Engineer vacancies may be reserved.

9. The Engineer-in-Chief, Chief Engineer (General) and Chief Engineer, Chennai Region, Public Works Department, Chennai has, therefore, requested orders of the Government for temporary promotion of 167 numbers of Assistant Engineers / Junior Engineers to the post of Assistant Executive Engineers in Civil Branch of Public Works Department as per the name list out of the total estimate of vacancy of 244 numbers for the post of Assistant Executive Engineer for the year 2021-2022, who are fully eligible to be temporarily promoted to the post of Assistant Executive Engineer, by invoking Section 47(1) of the Tamil Nadu Government Servant (Conditions of Service) Act, 2016, to mitigate the sufferings of the administration on temporary arrangements till the regular promotions to the posts are made.

10. The Government after careful examination of the proposal of the Engineer-in-Chief, Chief Engineer (General) and Chief Engineer, Chennai Region, Public Works Department, Chennai, in the light of the legal opinion of the Learned Advocate General of Tamil Nadu have decided to accept it. Accordingly, the Government hereby order the temporary promotion / appointment of the following Assistant Engineers (Civil) / Junior Engineer (Civil) to the post of Assistant Executive Engineers (Civil), by invoking Sections 47(1) and 17(1) of the Tamil Nadu Government Servants (Conditions of Service) Act, 2016

respectively, subject to the outcome of W.P.No.3617 of 2017 and batch cases, pending on the file of the Hon'ble High Court of Madras:-

New website launched

STAFF REPORTER
CHENNAI

The Indian Engineers' Federation (INDEF) has demanded that the Union and State governments constitute an Engineering Commission.

Other demands raised during the annual council meetings of the national and southern regional bodies of INDEF here on Saturday and Sunday included measures to ensure that technical departments are headed by technical personnel and removal of disparity in career values of engineers vis-à-vis administrative services.

S. Ananth, chairman, and K.M.I. Sayyed, secretary general, INDEF took part in the meeting along with other senior engineers. A new website for INDEF was launched.

இந்திய பொறியாளர் கூட்டமைப்பின் தெற்கு மண்டலம் மற்றும் தேசிய கூட்டமைப்பின் ஆண்டு பொதுக்குழு கூட்டம் ராயப்பேட்டை இந்திய அலுவலர் சங்க கூட்டரங்கில் கடந்த 14, 15 ஆகிய தேதிகளில் நடைபெற்றது. இதில் தேசிய கூட்டமைப்பின் தலைவர் ஆனந்த், பொதுச்செயலாளர் சயீத், முத்த பொறியாளர்கள் வீரப்பன், சன்சுரே, தேவநாத், சசானே, தாக்ரே, நிரஞ்சன், தமிழ்நாடு பொறியாளர் கூட்டமைப்பின் பொது செயலாளர் ஜெயந்தி, உட்ப தலைவர் தனசீலன், தலைவர் பிரபாகர், வீரப்பன் ஆகியோர் பங்கேற்றனர்.

Floating Solar Power Plant – A Global Cutting Edge alternative for non-renewable energy.

Er.M.A. Jose Jerald Das, M.E., M.Tech.,
AE, WRD, O/o the SE, WRD, DRIP,
Taramani, Chennai-113

The millennium as we live in is being susceptible to more vulnerable weather occurrences starting from the rise in global temperature compared to pre-industrial levels, extreme floods, incessant rains, rise in the sea water level, sea water intrusion into the land, excessive drought etc., are all coupled due to the anthropogenic activities carried out to fetch the thirst of mankind. Considering the adverse climatic changes, the United Nations proposed the Sustainable Development Goals (SDG) to be attained by 2030 and it is expected from every individual and nation breathing on the Earth. This universal, integrated and transformative agenda aims to spur actions that will end poverty and build a more sustainable world over the next 15 years. India, being a developing nation has pledged itself in attaining all the 17 SDGs by 2030 and the same has been reiterated by our Honourable Prime Minister at the United Nations Framework Convention on Climate Change Conference of Parties (COP-26) held at Glasgow, Sweden.

Out of the 17 SDGs, providing Affordable and Clean Energy, 7th SDG becomes a prime goal for every developed and developing country in order to reduce the depletion of the planet. The roadmap for attaining this goal has been marked by our Honourable Prime Minister by setting certain aims such as to raise the non-fossil fuel based energy capacity to 500 GW by 2030, to meet 50% of the country's energy requirements using renewable energy sources by 2030 and to become carbon neutral and achieve net-zero emissions by 2070.

India primarily being a developing country and a global market, the energy to meet its demand is being met majorly from fossil fuels and only a small proportion is being attributed by the renewable energy sources such as wind, solar, hydro etc., It is now high time to move towards the renewable energy sources and do more investment and research to explore the marvels hidden in kindling the renewable energy sources. Research and Development in most of the developed countries have strained themselves to find the panacea to the more exacerbating lacuna of compensating their energy demand through renewable energy sources. One such solution found in the Norwegian countries is the installation of wind turbines fixed to the ocean floor in shallow seas and the floating wind turbines moored to the ocean bed in deep waters.

Moving on to our Nation, installation of solar panels over the barren lands which are sun-rich have always been a way to capture the energy until last decade considering the research carried out in the photo-voltaic cells and their installation. However the most recent global cutting edge technology helps in the innovation of floating solar panel over the water bodies and connecting the energy observed to the nearby grid for electricity transmission. Last year, India's biggest floating solar power plant of generation capacity, 100 MW has been developed by the National Thermal Power Corporation Limited (NTPC) at Ramagundam in Peddapalli district of Telangana.

Installation of floating solar panel over the inland water bodies has its own merits and challenges. Each and every challenge has to be explored in detail pertaining to a site and has to be considered.

The key challenges that face renewable energy plant owners are land acquisition, grid connectivity, regulations and off-take. Floating solar plants balance high population density and competing uses for available land. The land can be used for other purposes, such as farming, construction or life basic activities. The bodies of water exert a cooling effect, which improves the performance of solar photovoltaic panels by 5-10%. Over time, this transforms into significant cost savings. Other Advantages are reduced grid interconnection costs, reduced water evaporation, improved water quality and reduced algal blooming.

The key challenges involved in the installation of floating solar panel are the Engineering and construction costs which are usually higher than those of a ground-mounted solar farm. Since floating solar involves water and electricity, more consideration must be given to cable management and insulation testing than on land, especially when cables are in contact with water. A floating solar plant has moving parts that are subject to constant friction and mechanical stress. Systems that are poorly designed and maintained could suffer from catastrophic failures. The installation is at risk of degradation and corrosion due to moisture, especially in more aggressive coastal environments. Developing floating solar projects requires a thorough understanding of water-bed topography and its suitability for setting up anchors for floats.

The possibility of exploring the opportunities of the installation of floating solar panel in the inland water bodies i.e., reservoirs of Tamil Nadu cannot be left unquestioned. As Tamil Nadu Water Resources Department owns nearly 90 reservoirs in the state, installation of floating solar panels can be done without any inter-departmental complexities. As most of the dams in the state are located either near the foot hills or in the plains, installation of the floating solar panels might be an easy task compared to the dams which are located in the mountain ranges which are subjected to frequent rains and flash floods. The grid connection to transfer the power generated has to be within the vicinity of the dam in order to avoid transfer losses and this can be ascertained in Tamil Nadu as considerable amount of TNWRD dams have the power generation capability in co-ordination with the Tamil Nadu Electricity Board. Also the state lies very much closer to the Tropic of Cancer, abundance of sun light would never be a indefinite task.

Installation of floating solar power plant in the dams located along the plains has its own advantages. Due to the effect of the direct sunlight, evaporation losses can be minimised by protecting the water body by the installation of floating solar panels. Thereby this leads to the increase in the ground water levels in the adjoining areas of the dam/ reservoir. Aquaculture would also flourish thereby leading more revenue to the people dependant on the living organisms of the reservoir. More employment would be created leading to increase in the economy of the state. More start ups would also be rising as an initiation of Make in India program also attracting more Foreign Direct Investment. More clean energy from the nature whereby the Sustainable Development Goal would be attained by reducing the carbon footprint from the atmosphere.

Few words from the drafter of the article:

The idea proposed above is just a mere replica from the articles found in the newspapers. But the main objective of this article is to instil the minds of the fellow Engineers regarding the possibilities of adding more revenue to the State and become self-reliant energy sufficient state among all states in the nation.

Finally it is requested that these kind of new techniques have to be enunciated to the future Engineers and provide a stimulus for them to exhibit the trust of the common public on this department.

ENGIBEF PHASE-V SCHEME

S.No.	ENGIBEF No.	Name & Address
1	V-507-KKD	Er.A.Palanivel, AE, WRD, P&D Sub Division, Thirupathur
2	V-508-SLM	Er.V.Maheswari, AE, PWD, O/o the AEE, PWD, Buildings (C&M) Sub Div. MW, Salem

We request our member engineers who have not enrolled so far in ENGIBEF Phase V Scheme to enroll as full-fledged member by remitting the amount through core banking system 'TNPWD ENGIBEF, State Bank of India, A/C No.10031641514 of PWD Complex Branch, Chepauk, (IFSC Code SBIN0006489), Chennai" or through branch offices in Cash / Cheque / Demand Draft.

We solicit your earnest co-operation to enroll in this Scheme & assist the deceased Engineers' family.

"We expect more members to enroll in ENGIBEF PHASE V"

Er.M.Mathan
Treasurer/ENGIBEF (Cell:9566426370)

Er.M.Suganthi
Secretary/ENGIBEF

மறைந்த **பொறி.V.P.ராஜேந்திரன்**, உதவிப் பொறியாளர், வென்னாறு வடநில கோட்டம், நீ.வது. தஞ்சாவூர் அவர்களுக்கு பொறியாளர் சேமநலநிதி மூலம் ரூ.50,000க்கான காசோலையை நமது மதுரை கிளைச் சங்கத்தின் பொறுப்பாளர்களால் அவர்களின் தாயாருக்கு வழங்கப்படுகிறது. - ஆசிரியர்

சங்கத்தின் கோரிக்கைக் கடிதங்கள்

Representation to the Chief Secretary to Government, Government of Tamil Nadu, Secretariat, Chennai-600009 on TNES – Establishment – Chief Engineer Post in the Construction wing of the Fisheries Department – To be continued with our PWD Chief Engineer – requested vide Letter No.020/GS-AOE/2022 Dated: 25.05.2022

Sir,

Ref: Arising

We wish to bring the following for your kind information and necessary action.

The construction wing of the Fisheries Department is headed by the Chief Engineer, PWD continuously for many years who are having very rich experience and well versed in Government rules and regulations. The present Chief Engineer is also from PWD and is highly knowledgeable and recruited as Assistant Engineer in PWD by TNPSC in the year 1986 and got promoted as Assistant Executive Engineer, Executive Engineer, Superintending Engineer and Chief Engineer as per the rules of the Government.

Recently we come to know that **Thiru.M.Murugesan** who was at present working as Executive Engineer, Fisheries Division under the control of the Chief Engineer is trying to get promotion as Chief Engineer directly by seeking relaxation of rules in his favour.

We also come to know that the above individual was already got his promotion as Assistant Executive Engineer and Executive Engineer by relaxing rules in his favour. Our Chief Engineers are promoted step by step without any rule relaxation. We also wish to point out that the above individual was promoted as Assistant Engineer during 2006 only and is having only 15 years of experience in Engineering Service when compared to our Chief Engineer who are having nearly 34 years of experience in Engineering Service.

It is also come to our notice that the above individual is trying to get promotion as Chief Engineer directly from the Executive Engineer post without

getting Superintending Engineer promotion which is a violation of relevant service rules of the Department.

If the individual got promoted it will cause bitterness among his seniors who are working in the department.

We request the Chief Secretary to kindly look into this issue and cause action to continue the Chief Engineer, Construction wing of Fisheries Department with our PWD Chief Engineers.

With kind regards,

Yours truly,

Er.K.Murugan,
General Secretary, AOE

Representation to the Additional Chief Secretary to Government, Public Works Department, Secretariat, Chennai-9 on Establishment – TNPWD – Er.R.Anbarasan, Executive Engineer, PWD, Voluntary retirement order issued and relived inspite of withdrawing the Voluntary Retirement Proposal – Request to Cancel the G.O. and permit the individual to continue in the post of Executive Engineer vide Letter No.021/GS-AOE/2022, Dated: 02.06.2022

Sir,

Ref: G.O.(Rt) No.46, PW (F1) Department dated 15.04.2022

We wish to bring the following to your kind information.

Er.R.Anbarasan, Executive Engineer, PWD, Buildings (C&M) Division while in service sought Voluntary retirement with effect from 04.01.2022 vide his letter and subsequently withdraw the same on 31.03.2022 with in the notice period of 3 months. The above letter was sent by the individual on 02.04.2022 and acknowledgment received on 04.02.2022. (copy of individuals letter dated 06.04.2022 enclosed).

However **Er.R.Anbarasan,** Executive Engineer was retired vide Government Order cited without considering the withdrawn letter by the individual. This causes mental agony and financial losses to the individual and he has represented to the Government, Public Works Department to cancel the

above Government Order cited and requested to reinstate him as Executive Engineer, PWD.

We request our Additional Chief Secretary to Government, Public Works Department to consider the above genuine request of **Er.R.Anbarasan** by cancelling the Government Order cited and reinstating him as Executive Engineer, PWD at an early date.

With kind regards,

Encl.: Copy of G.O. Cited & individual
letter dt.16.04.2022

Yours truly,
Er.K.Murugan,
General Secretary, AOE

Representation to the The Secretary to Government, Human Resources Department, Secretariat, Chennai-9 on TNES – Estimate of vacancy for the post of Chief Engineer, Superintending Engineer & Executive Engineer in WRD and PWD – Early approval – requeste – vide Letter No.022/GS-AOE/2022, Dated: 07.06.2022.

Sir,

We came to know that the estimate of vacancy of Chief Engineer, Superintending Engineer & Executive Engineer Panel of Water Resources Department for the year 2022-23 was sent by the Additional Chief Secretary to Government, WRD and is pending with the Human Resources Department for more than a month. Only Superintending Engineer panel estimate vacancy is approved and sent to WRD.

Estimate vacancy for Executive Engineer post in Public Works Department was sent by the Additional Chief Secretary to Government, PWD is also pending in the Human Resources Department for more than a month.

Since many vacancies of Chief Engineers, Superintending Engineers & Executive Engineers in WRD & PWD was already arised and also due to arise in the coming months. We request the Secretary, Human Resources Department to be kind enough to approve the above estimate of vacancies early.

With kind regards,

Yours truly,
Er.K.Murugan,
General Secretary, AOE

GOVERNMENT ORDERS

ABSTRACT

Establishment – Public Works Department – Electrical Wing – Tamil Nadu Engineering Service – Change of nomenclature of Electrical Engineer as Executive Engineer (Electrical) in Public Works Department – Orders – Issued.

Public Works (A2) Department

G.O.(Ms.)No.26

Dated: 22.04.2022

Read:

1. G.O.(Ms.) No.28, Public Works (G1) Department, Dated 24.01.2018
2. From the Engineer-in-Chief (Buildings), Chief Engineer (Buildings), Chennai Region, Public Works Department, Chennai Letter No.AEE/T10/005146/2019, dated 28.02.2019.
3. From the Engineer-in-Chief, Water Resources Department and Chief Engineer (General), Public Works Department, Chennai Letter No.AEE/T1/AE3/010635/ 2019, dated 21.08.2019 and Letter No.AEE/T10/31813/2018, dated 05.01.2022

ORDER:

In the letters second and third read above, the Engineer-in-Chief (Buildings), Chief Engineer (Buildings), Chennai Region, Public Works Department, Chennai has stated that the Electrical Wing of Public Works Department is functioning with 3 numbers of the Joint Chief Engineer (Electrical), 8 numbers of Electrical Division with supporting Sub-Divisions and sections. The Middle Level engineer in the Electrical Wing is presently named as "Electrical Engineer"; This nomenclature creates perplexity and confusion in recognition of middle level Engineer; as it relates more to the field of Electrical Engineer rather than the level / grade of Engineers in electrical field. The Electrical Division headed by Electrical Engineer was formed during 1962 and prior to 1980, the Government Buildings were only less in number and the Electrical provisions in Government Buildings were restricted to only Lights and Fans after which the construction of Government Buildings has drastically increased. Later, buildings are being provided with H.T. Service connections, Air-conditioning facilities Lifts, Generators, etc. Hence, the work load for Electrical Engineer is increased and also the jurisdiction of each Electrical Division is enhanced simultaneously.

2. In order to handle the increasing work load, the Electrical Wing of Public Works Department has been developed into 8 Electrical Divisions located at Madurai, Chennai, Trichy, Sivagangai (shifted to Tirunelveli) and Coimbatore. Later, in Government Order first read above, orders have been issued for reorganization of Electrical Divisions in Public Works Department.

3. The functions, duties and responsibilities of Electrical Engineer are equivalent to the Executive Engineers of Civil Wing of Public Works Department. Therefore, to prevent misinterpretation, the Engineer-in-Chief, Chief Engineer (General) and Chief Engineer, Chennai Region, Public Works Department, Chennai in his letter third read above, has requested to change the nomenclature of "Electrical Engineer" in Section 10, Part II of Branch V – Electrical of the Tamil Nadu Engineering Service as "Executive Engineer (Electrical)", in line with the Civil Wing of Public Works Department and on par with the other Engineering Departments of Government of Tamil Nadu.

4. The Government after careful examination of the proposal of the Engineer-in-Chief, Chief Engineer (General) and Chief Engineer, Chennai Region, Public Works Department, Chennai have decided to accept it. Accordingly, the Government directs that the nomenclature of "Electrical Engineer" in Section 10, Part II of Branch V – Electrical of the Tamil Nadu Engineering Service be changed as "Executive Engineer (Electrical)", subject to the conditions that, no change in pay and promotional conditions should arise due to re-designation, promotion avenue of feeder category should not be disturbed no further claim of any nature including pay, promotion, cadre strength, internal transfers and postings, feeder category or any other entitlement on principles of parity or even otherwise etc., should not arise out of such re-designation and the terms and service conditions should remain the same.

5. The Engineer-in-Chief, Chief Engineer (General) and Chief Engineer, Chennai Region, Public Works Department, Chennai is also directed to send suitable amendment proposal in this regard for amending the Tamil Nadu Engineering Service.

(BY ORDER OF THE GOVERNOR)

DAYANAND KATARIA

ADDITIONAL CHIEF SECRETARY TO GOVERNMENT

ABSTRACT

PENSION/FAMILY PENSION – Simplification of mustering process – Inclusion of various options at the convenience of the Tamil Nadu State Government Pensioners for mustering and producing Life Certificate / Digital Life Certificate by utilizing the Door Step Services of the India Post Payments Bank (IPPB) from the year 2022 onwards – Orders – Issued.

Finance (Pension) Department

G.O.(Ms.)No.136

Dated: 20.05.2022

Read:

1. G.O.(Ms.) No.215, Finance (Pension) Department, dated 26.03.2020.
2. G.O.(Ms.) No.288, Finance (Pension) Department, dated 29.06.2020.
3. G.O.(Ms.) No.134, Finance (Pension) Department, dated 26.05.2021.
4. Government Letter No.1654/FS/T/Finance(Pension) Department/2021, dated 16.05.2022.
5. From the Commissioner of Treasuries and Accouts, Chennai-35, Letter RC No.06780/2022/E2, dated 29.04.2022 and 17.05.2022

ORDER:

In the Government Order first read above, orders were issued allowing the pensioners to submit their Life Certificate at any time during the months of July, August and September every year for annual mustering instead of April, May and June to the concerned Pension Disbursing Officers.

2. In the Government Orders second and third read above, considering the Covid-19 pandemic, the Government have temporarily exempted the Annual Mustering process for the years 2020 and 2021 as a special case by relaxing S.R.67(a)(1) and S.R.71(a)(1) of Treasury Rule 16 of Tamil Nadu Treasury Code Volume-I.

3. At present, mustering can be done by Pensioners / Family Pensioners by exercising any one of the following options;

- i. Direct Mustering (Physical Appearance).
- ii. Submission of Life Certificate through Post.
- iii. Digital Life Certificate (DLC) through Jeevan Pramaan Portal by using biometric device.

4. The Commissioner of Treasuries and Accounts has furnished a proposal to include the services of the India Payments Bank (IPPB) as one of the facilitator to do mustering of the State Government Pensioners through Jeevan Pramaan Portal in addition to the existing methods of Mustering. He has also stated that the Assistant General Manager, India Post Payments Bank (IPPB), Tamil Nadu Circle has stated that, they are having 11018 Banking Access Points and 14723 Banking Service Providers within Tamil Nadu State with adequate infrastructure for generating Digital Life

Certificate (DLC) through Jeevan Pramaan Portal and proposed to charge Rs.70/- per DLC for rendering the services.

5. In the revised proposal, the Commissioner of Treasuries and Accounts has sent proposal requesting to permit him to share the following details of the Pensioners with India Post Payments Bank (IPPB's) in order to facilitate plan and allocate India Post Payments Bank's resources to provide Door Step Digital Life Certificate (DLC) generation services to the pensioners by giving wide publicity.

- a) Pensioners Name.
- b) Aadhar Number or Virtual ID (Registration of Aadhar with the Pension Disbursing Authority should have been done already).
- c) Address with pin code.
- d) Mobile Number.

6. After careful examination of the proposal of the Commissioner of Treasuries and Accounts, the Government accord permission to share the above details of Pensioners/Family Pensioners and carry out mustering process on a regular basis from the current year 2022 in the months of July, August and September. The Pensioners shall at their convenience be allowed to choose any one of the following facilities;-

- 1) Digital Life Certificate (DLC) through Jeevan Pramaan Portal by using the services of any one of the following entities as per the option of the pensioners.
 - a) *India Post Payments Bank (IPPB) with Door Step Service.*
 - b) *e-Seva centres / Common Service Centers.*
 - c) *Pensioners' Associations having biometric device connected with Jeevan Pramaan Portal.*
- 2) Submission of Life Certificate through Post.
- 3) Direct Mustering (Physical Appearance).

7. The Commissioner of Treasuries and Accounts is directed to appoint a Nodal Officer in each District Treasury and also give wide publicity on Door Step Services on Digital Life Certificate by the India Post Payments Bank (IPPB) through Social Media, Advertisement in newspapers and insist the IPPBs to also advertise and reach the Pensioners / Family Pensioners through the Post Offices throughout the State. All the Treasury Officers / Sub-Treasury Officers / Pension Pay Officers shall motivate e-mustering by giving wide publicity and facilitate the Pensioners / Family Pensioners and ensure that at least 80% Annual mustering is done through Jeevan Pramaan portal utilizing the Door Step Services of IPPB / e-Seva Centre / CSC / Pensioners' Association having Bio-Metric Devices thereby avoiding hardship to the aged Pensioners / Family Pensioners of coming to the Pension Office / Treasuries in person for Mustering. The District Treasury Officers shall be personally liable to ensure that all necessary arrangements are made to achieve this objective.

(BY ORDER OF THE GOVERNOR)

N.MURUGANANDAM

ADDITIONAL CHIEF SECRETARY TO GOVERNMENT

FINANCE (Health Insurance) DEPARTMENT
G.O.Ms.No.142, Dated 24th May, 2022

ABSTRACT

MEDICAL AID – New Health Insurance Scheme for Pensioners (including spouse) / Family Pensioners – Continuance of the New Health Insurance Scheme beyond 30.06.2022 – Orders – Issued.

Read the following:-

1. G.O.Ms.No.462, Finance (Pension) Department, Dated 27.12.2013.
2. G.O.Ms.No.171, Finance (Pension) Department, Dated 26.06.2014.
3. G.O.Ms.No.222, Finance (Pension) Department, Dated 30.06.2018

ORDER:

In the Government Order third read above, orders were issued implementing the "New Health Insurance Scheme, 2018 for Pensioners (including spouse) / Family Pensioners" on CASHLESS basis with assistance upto Rupees four Lakh and for some specified illness treatment upto a maximum assistance of Rs.7.50 lakhs for a block period of four years from 01.07.2018 to 30.06.2022 through the United India Insurance Company Limited with a contribution of Rs.350/- by the Pensioners / Family Pensioners.

2. The Government has examined the need for continuation of Health Insurance Scheme for Pensioners (including spouse) / Family Pensioners and decided to continue the same. Accordingly, the Government direct that the New Health Insurance Scheme, 2022 for Pensioners (including spouse) / Family Pensioners shall be implemented from 01.07.2022 with the following salient features:-

- i. New Health Insurance Scheme, 2022 for Pensioners (including spouse) / Family Pensioners shall be implemented from 01.07.2022 for a further block period of four years from 01.07.2022 to 30.06.2026.
- ii. A suitable Public Sector Health Insurance Company shall be selected through National Competitive Bidding as was done in New Health Insurance Scheme, 2018 for Pensioners (including spouse) / Family Pensioners as per policy decision of the Government.
- iii. The ceiling on medical assistance shall be enhanced from Rs.4.00 lakh to 5.00 lakh for a block period of 4 years for Pensioners (including spouse) /

Family Pensioners. However the ceiling on medical assistance shall be enhanced upto Rs.10.00 lakh for specified illness like cancer, liver and other transplantations etc., as is extended to the serving employees.

- iv. COVID 19 cases shall also be covered under specified illness category and maximum assistance upto Rs.10.00 Lakh shall be extended as applicable under the New Health Insurance Scheme, 2021 for Government Employees.
 - v. Dependents of Pensioners who are eligible for Family Pension as per the Tamil nadu Pension Rules, 1978 shall also be covered under the scheme.
 - vi. The monthly subscription to be recovered from the Pensioners / Family Pensioners will be firmed up based on the Insurance Premum payable to the Insurance Company.
 - vii. The medical treatment taken by the Pensioners / Family Pensioners in Non-Network hospital under Non-Emergency situation shall also be covered on reimbursement basis.
 - viii. The hospitals already accredited under New Health Insurance Scheme, 2021 for CASHLESS treatment shall be made applicable to this scheme also. The Government Hospitals which were empanelled under Chief Minister's Comprehensive Health Insurance Scheme (CMCHIS) shall also be empanelled as Network Hospitals under this Scheme. Additional hospitals and treatment / surgeries for CASHLESS treatment will be added on the recommendation of the Accreditation Committee as and when necessity arises.
 - ix. The Treatments and Surgeries under Broad Based Specialities already approved for the New Health Insurance Scheme, 2021 for Employees shall be made applicable to this scheme also.
 - x. This scheme shall also be extended to the Pensioners / Family Pensioners of the Local Bodies, Statutory Boards, State Public Sector Undertaking, Universities, where these organizations elect to adopt the scheme subject to payment of premium at the rate as fixed by the Government directly to the Insurance Company. The excess of premium over and above the Pensioners / Family Pensioner's contribution shall be borne by the respective organization.
3. The orders on further modalities, terms and conditions for the implementation of the New Health Insurance Scheme, 2022 for Pensioners (including spouse) / Family Pensioners shall be issued separately.

(BY ORDER OF THE GOVERNOR)

N.MURUGANANDAM

ADDITIONAL CHIEF SECRETARY TO GOVERNMENT
